

wee grooves

Copyright Notice:

© 2024 judelesliedrums. All Rights Reserved.

"wee grooves" is a collection of high-quality drum grooves, recorded with two mics designed for music producers and artists across various genres.

I am the original creator and owner of all work included in this pack. I retain all rights to these sounds and their distribution.

Users are granted a non-exclusive, worldwide license to use the samples in personal and commercial projects.

Users may not resell, redistribute, or use these samples in a way that infringes upon my copyright, including but not limited to creating sample packs or sound libraries for sale.

For any commercial use of the samples, users must obtain permission and provide appropriate credit or negotiate a licensing fee.

For inquiries regarding usage or licensing, please contact:
